GLORY CITY SINGERS

ABOUT US

We are a Christ-centred choir who enjoys rich fellowship with God and each other through shared music, worship and community experiences! We go on outreach events throughout the year to sing and share the Gospel in our community. Christmas is currently our main choral season where we rehearse weekly and then visit aged care facilities, hospitals, retirement homes and other places in our community to spread the joy and message of Christ as we minister.

PLANS FOR 2021

We will be learning music to share the joy and good news of Jesus at retirement centres, hospitals, shopping centres and more this Christmas.

We singing for enjoyment and to build a strong choir community within our church that celebrates God in fun and freedom!
